Attention Cowboy Reloaders!!!!

Miss Mary Lou,
I was wondering if you could ask any of the cowboy action shooters that currently reload .45 LC if they would be interested in spending an afternoon helping me reload my .45 LC ammo. I do not have a reloader but I have tons of brass. I'm not looking to develop a round for my ruger; I just want to put munitions downrange for less than a dollar a round, which is the current price in Las Cruces for .45. Like I said I have tons of brass I need to know what bullet and powder I need to buy and the use of a reloader and the expert advice. I would gladly pay for the time.

Thank you Jonathon, for sending your request to us, for publication.

Note to Jonathon,

You may want to consider attending the gun shows and talking to some of the reloaders there as well. (mls)

Hello SASS members,

Our company is producing a film about Billy the Kid for the PBS series *American Experience*. We're hoping to do some reenactment shooting in New Mexico the week of December 13th and

we're looking for folks with period clothing and weapons to appear in the film.

I'm guessing that you and your members are pretty familiar with the story so I'll a little more specific. Here's what we're hoping to do:

- **Billy's murder of Windy Cahill** (tight shots of struggle with Billy pulling out his Colt and firing into Cahill's belly)
- **The Brady killing** (shots of Winchesters firing from a-top a corral wall)
- **Billy's murder** (shots of Billy's silhouette and tight shots of Garrett firing his Colt)
- **Billy target practice** (shots of Billy firing at a bottle, bottle exploding)
- **Billy being photographed by tintage photographer**

So we would need someone with some bulk to play Cahill, someone to play Garrett (although since Garrett will be in the shadows this person need not have Garrett's body type), some Regulators to fire Winchesters from a corral, and a Billy (someone young and slight).

We will likely shoot at the Bonanza Creek Ranch outside Santa Fe (<http://tinyurl.com/336t3u3>). We would need folks for 1-3 days depending on their availability and what characters they would play. We would take care of mileage/travel expenses. We would also take care of obtaining the blanks and will likely have an armorer on site.

I'm hoping you can put this out to your members. It should be a lot of fun. Please let me know if you have any questions.

Best,
Josh

Here's a great thought that could help create an interesting problem for the ACLU

Pass this on to your church, co-workers, family, and friends. What you have to lose but 44 cents, what do you have to gain? ----- More than you will ever know.

What a clever idea! Yes, Christmas cards. This is coming early so that you can get ready to include an important address to your list.

Want to have some fun this CHRISTMAS?

Send the ACLU a CHRISTMAS CARD this year.

As they are working so very hard to get rid of the CHRISTMAS part of this holiday, we should all send them a nice, card to brighten up their dark, sad, little world. Make sure it says "Merry Christmas" on it.

Here's the address, just don't be rude or crude:

ACLU
125 Broad Street , 18th Floor
New York , NY 10004

Two tons of Christmas cards would freeze their operations because they wouldn't know if any were regular mail containing contributions. So spend 44 cents and tell the ACLU to leave Christmas alone. Also tell them that there is no such thing as a "Holiday Tree". It's always been called a CHRISTMAS TREE!

And pass this on to your email lists. We really want to communicate with the ACLU! They really DESERVE us!!

For those of you who aren't aware of them, the ACLU, (the American Civil Liberties Union) is the one suing the U.S. Government to take God, Christmas or anything religious away from us. They represent the atheists and others in this war. Help put Christ back in Christmas!

Test for Dementia

Below are four (4) questions
and a bonus question.

You have to answer them instantly.

You can't take your time, answer all of them
immediately.

OK?!

Let's find out just how clever
You really are....

First Question:

You are participating in a race.
You overtake the second person.

What position are you in?

Answer: If you answered that
you are first, then you are
absolutely wrong!

If you overtake the second person
and you take his place,
you are second!

Try not to screw up next time.

Now answer the second question,
but **don't** take as much time
as you took for the first question,

OK ?

Second Question:

If you overtake the last person,
then you are....?

Answer: If you answered that you
are second to last,
and then you are wrong again.

Tell me, how can you
overtake the LAST Person?

You're not very good at this, are you

Third Question:

Very tricky arithmetic!

This must be done in your head

ONLY

Do not use paper & pencil
or a calculator. Try it.

Take 1000 and add 40 to it.

Now add another 1000 ... Now add 30..

Add another 1000 . .. Now add 20

Now add another 1000 Now add 10 ...

What is the total?

Did you get 5000?

The correct answer is actually 4100.

If you don't believe it, check it with a calculator!

Today is definitely not your day, is it?

Maybe you'll get the last question right....

Fourth Question:

Mary's father has five daughters:

1.Nana, 2.Nene, 3.Nini, 4.Nono.

What's the name of the fifth daughter?

Did you Answer Nunu?

NO.... Of course it isn't.

Her name is Mary.

Read the question again!

Okay, now the

Bonus Round:

A mute person goes into a shop

and wants to buy a toothbrush.

*By imitating the action
of brushing his teeth
he successfully expresses himself to the
shopkeeper and the purchase is done.*

Next, a blind man comes into the shop who

*And wants to buy a pair of
sunglasses; how does HE indicate
What he wants?*

*He has to open his mouth and ask.
It's really very simple!*

*KEEP THIS GOING
TO FRUSTRATE THE
SMART PEOPLE IN YOUR LIFE!*
